

# 2023 AG PROFESSIONALS SYMPOSIUM

August 3-4, 2023  
Kansas City, MO

Midwest agriculture professionals are invited to meet up in Kansas City for the first Ag Symposium hosted by the Iowa, Kansas and Missouri Chapters of the American Society of Farm Managers and Rural Appraisers. This 1.5 day event consists of tours, education and networking!

*Four hours of Appraisal and Real Estate Credit for Iowa, Kansas, Missouri and Nebraska has been requested.*

## AUGUST 3, 8AM-5PM TOUR DAY

### THE ROASTERIE

Watch as coffee is roasted, blended, and packaged. Witness the craft cold brew process as it goes from brewing to canning.

### STEAMBOAT ARABIA

Hear the legendary tale of the loss & discovery of the Steamboat Arabia and its 200 tons of cargo. You will tour the 30,000 square foot museum which houses artifacts salvaged from the Arabia.

### HOLLADAY DISTILLERY

Explore over 160 years of history and witness real Missouri bourbon being made.

### KC CATTLE CO

Tour this Veteran-owned and operated wagyu cattle company. This locally raised wagyu beef in Kansas City that has been featured on The Today Show and more.

### GREEN DIRT FARM

Get a guided look at Green Dirt Farm, a glimpse inside the milking parlor and a view into the cheese kitchen. And then you'll return to the shop for a guided tasting of our cheeses!

### CHICKEN N PICKLE

After a full day of tours, dinner and drinks will be served with a side of pickleball.

## AUGUST 4, 8AM-12PM SEMINAR DAY

### THE HISTORY, IMPORTANCE, AND FUTURE OF RENEWABLE FUELS

**Gary Haer, VP of Marketing at REG (retired)**

Learn the history and background of biodiesel, where things stand on the immediate horizon, and the future of renewable fuels, including benefits and advancement to agriculture

### TECH TOOLS FOR AG PROFESSIONALS

**David Whitaker, Whitaker Marketing Group**

Discover tools of the trade and how they can be utilized to help ag professionals move faster and more efficiently.

### RECENT MACROECONOMIC AND FINANCIAL DEVELOPMENTS AFFECTING THE AG ECONOMY

**Francisco Scott, Economist, Federal Reserve**

Get an update on macroeconomic conditions affecting economic prospects, ag finance conditions pertaining to both borrowers and lenders, and risks to the outlook for U.S. ag.

### PUT ME IN COACH

**Whitney Kinne, Career & Leadership Coach**

The best teams are led and managed by leaders who bring a coaching mindset as they leverage their team's unique talents and dynamics. No matter your position, you are an essential part of the training plan to improve your team's dynamics.
