### Concentration of U.S. Red Meat Exports

## U.S. Beef Export Portfolio (by vol.)

## Food for Thought...

- Why do we BOTH import & export large volumes of beef?
  Will this always be the case?
- What are pros & cons of becoming more export reliant?
- Should U.S. further invest in development of export markets?
  Should a loss-leader approach be adopted to form grain-finished preferences?
- How does increasing exports help me as a producer?

## Wrap-Up
